Assalamualaikum wa Rahmatullahi wa barakatuhu

Dear Parents / Carers,

Re: TfL Seminar

This is to inform you that our school have been closely working with TfL STARS (School Travel: Active, Responsible Safe) - Transport for Young London. This empowers our pupils and improves the safety and wellbeing of the whole community. It also encourages active travel behaviour and improves the environment around the school. STARS deal with not just about traffic, transport and carbon emissions but also about children's health and wellbeing.

Many London schools, colleges and nurseries are making a big difference to the health, safety and wellbeing of their pupils by taking part in STARS accreditation programme. The STARS programme helps schools to put in place a successful accredited travel plan promoting safe and active travel. It rewards schools for adopting safe and more active travel behaviour at one of three levels: Bronze, Silver and Gold. The more initiatives delivered and the greater the change in pupil travel behaviour, the higher the accreditation award a school will achieve. Visit <https://stars.tfl.gov.uk/> for more information.

Participating in STARS has benefited the whole school. E.g. Healthy Week – 'Walk to School', Junior Citizenship Scheme etc. As children participate in these activities and schemes we will benefit from a good number of facilities offered by the local borough and TfL.

Therefore, it will be an excellent experience for our children to understand how things work and how we as a school gain these facilities.

This event will give our school the opportunity to celebrate, network and have fun with other schools within our borough. The aim here is to lay the foundations for our school to become STARS accredited or build on our current successes.

This interactive seminar will provide our staff and pupils with the opportunity to exchange ideas and plan new, exciting travel initiatives with other schools in the region. It will also allow our pupils to collect their stars certificate in a special awards ceremony.
